**MASTER SOFTWARE AGREEMENT**

A Master Software Agreement may have another name ("Master Software Agreement") and defines the relationship between WhamTech and you, and how WhamTech EIQ Product software will be delivered, maintained and supported. A signed Master Software Agreement will take precedence if and when there is a conflict between any part or parts of this document, the "WhamTech EIQDVP Product Pricing Matrix for Solution Providers", project documents and/or any other shared document.

**1. GRANT OF LICENSE**

**Use**

This License permits you to install and use one copy of the WhamTech EIQ Product software ("Software") (and for which you have paid the applicable license fee) in a manner not inconsistent with any associated media, manuals, printed materials and "on-line" or other electronic documentation furnished by WhamTech (the "Documentation") under the following conditions:

**Definition of "Use"**

The Software is "in use" in a computer when it is loaded into the temporary memory (i.e., RAM) or is installed into the permanent memory (e.g., hard disk, CD-ROM, or other storage device) of that computer; however, a copy installed on a network server for the sole purpose of distribution to other computers is not "in use."

**"Full Use" License**

If the Software provided with this License is an unaltered version of the Software with all functions intact ("Full Use"), then you may install and use the Software on a single computer; provided the Software is in use on only one computer at a time. You further may use the toolkit incorporated into the Software to develop other products, programs or other works derived from the Software (collectively, "End User Works") and you may reproduce and distribute the Software to third parties solely for use with such End User Works with payment of additional royalties or license fees to WhamTech; provided that (1) you only distribute the Software only with and as part of an End User Work, (2) you license the Software in a manner consistent with this License and otherwise restrict any third party's use of the Software to be solely as part of the End User Works, (3) you only distribute those portions of the Software (other than the toolkit) that are necessary for such third party's use of the End User Work, (4) you include a valid copyright notice on the End User Work and any related documentation, (5) you agree to indemnify, hold

harmless and, if requested by WhamTech, defend WhamTech and its authorized Licensees from and against any claims, damages, losses, or causes of action (including reasonable attorneys' fees and costs) that arise or result from any distribution or use of the End User Works, and (6) you execute and become a party to WhamTech's Reseller Agreement, a copy of which is available upon request.

#### **Limited Period Use**

If you have been provided the Software for limited period use only, WhamTech grants to you the right to use the Software on the same terms and conditions as stated above but only for the length of time so authorized by WhamTech ("Limited Period"); thereafter, this License and your right to use the Software is terminated, unless you obtain a separate license and you pay the applicable license fee.

#### **Multiple Licenses**

If you have multiple Licenses for the Software, then at any time you may have as many copies of the Software in use as you have Licenses.

#### **Copy for Back-up or Archival Purposes**

You may either (i) make one copy of the Software solely for back-up or archival purposes, or (ii) transfer the Software to a single hard disk; provided that you keep the original solely for back-up or archival purposes. You may not copy any printed materials that are included with the Software.

### **2. COPYRIGHT**

All title and copyright in and to the Software, and any accompanying written materials, whether in a printed or electronic media, is owned by WhamTech and is protected by United States copyright laws and international treaty provisions. WhamTech retains all ownership rights in the Software and any accompanying written materials. All rights not expressly granted herein are reserved by WhamTech. The copyright notice must be reproduced and included on any copy that is expressly permitted under this Agreement. Copyright laws prohibit the making of additional copies of the Software and the Documentation or other accompanying materials for any other reason.

### **3. OTHER RESTRICTIONS**

You may not sublicense, rent, lease or offer to negotiate to lease, sublicense, or rent the Software, but you may transfer your rights under this License on a permanent basis; provided that you transfer this License, the Software and the Documentation or other accompanying written materials, you retain no copies, the recipient agrees to the terms of this License and you notify WhamTech in writing of the name and address of the transferee. Any transfer must include all updates and all prior versions. Such transfer terminates your License to use the Software and/or the Documentation. You may not alter, modify, translate, decompile, disassemble, reverse engineer, copy transfer, electronically transfer, or otherwise use the Software and/or the Documentation except as stated in this Agreement. In jurisdictions where a right to reverse engineer is provided by law unless information is available about the product in order to achieve interoperability, functional compatibility or similar objectives, you agree to submit a detailed written proposal to WhamTech concerning your need for such information before engaging in reverse engineering and WhamTech may, in its sole discretion, propose to you certain terms and conditions under which it is willing to make such information available. You agree that you will not process, or permit to be processed, the data of any other party or use the Software in the operation of an outsourcing, time-sharing or other service bureau environment without the express written consent of WhamTech. You further grant to WhamTech or its authorized Licensee or agent the right to audit your use of the Software pursuant to this Agreement. You agree not to electronically, optically or otherwise transmit, broadcast, transfer, or disseminate any portion of the Software and/or the Documentation over any public or private computer network (either local, wide area or otherwise), telephone network or other mode or channel of communication except (a) where intrinsic to the normal operation of the Software, such as on-line Help information, or (b) as otherwise expressly authorized by WhamTech in writing. You will not

remove any product identification, copyright notices, or other proprietary legends from the Software. You shall keep the Software free and clear of all claims, liens and encumbrances, and any act by you, voluntary or involuntary, purporting to create a claim, lien or encumbrance on such an item shall be void.

#### **4. TRADE SECRETS/LIMITED ACCESS**

The Software embodies proprietary technology and valuable trade secrets of WhamTech which are vital to the business of WhamTech and whose value depends upon their not being generally known. You agree to hold the Software and Documentation in confidence and take all necessary steps to ensure that access to any portion of the Software or Documentation is not provided to any person or entity other than your bona fide employees who reasonably require such access to enable you to use the Software subject to this Agreement. You further agree not to disclose any results of benchmark tests of any Software to any third party without WhamTech's prior written approval.

#### **5. TERMINATION**

This License and your right to use the Software (i) automatically terminate if you fail to comply with any provision of this Agreement, and (ii) terminate upon expiration of the length of time so designated for your Use of the Software. Upon termination, you must destroy the Software, all accompanying materials and all copies thereof. WhamTech retains all rights not expressly granted, and nothing in this Agreement constitutes a waiver of WhamTech's rights under copyright laws or any other federal or state law or treaty.

#### **6. LIMITED WARRANTY**

WhamTech warrants that the unmodified Software will perform in all material respects in accordance with the Documentation for a period of ninety (90) days from the date of delivery of the Software. This limited warranty shall not apply to any Software that WhamTech determines has been subject to misuse, neglect, improper installation, repair, alteration, or damage by you. Any implied warranties are likewise limited to ninety (90) days from the date of delivery of the Software. WhamTech does not warrant that the functions of the Software will meet your requirements or that operation of the Software will be uninterrupted or error free. You assume responsibility for the selection of the Software and hardware to achieve your intended results, and for the installation, use and results obtained from the Software. Should the distribution media contain other software products that either are owned by third parties or in the public domain, WhamTech makes no warranties or representations as to such software products and further disclaims any and all liability for any losses or damages that may result from your use thereof. This limited warranty gives you specific legal rights and you may have other rights, which vary depending on the state.

#### **7. CUSTOMER REMEDIES**

WhamTech's entire liability and your exclusive remedy shall be, at WhamTech's option, either (a) the return of the license fees paid for the Software, or (b) the repair or replacement of the Software that does not meet WhamTech's limited warranty and that is returned to WhamTech with a return authorization number at your cost and risk. This limited warranty is void if failure of the Software has resulted from accident, abuse, misproducts or other service or modification by a person other than WhamTech or its authorized Licensee. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

8. NO OTHER WARRANTIES; NO LIABILITY FOR CONSEQUENTIAL DAMAGES. WHAMTECH DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE SOFTWARE, ITS MEDIA, THE ACCOMPANYING WRITTEN MATERIALS, AND ANY ACCOMPANYING HARDWARE. IN NO EVENT SHALL WHAMTECH BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OTHER PECUNIARY LOSS OR OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF WHAMTECH OR ITS AUTHORIZED LICENSEE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

**9. SEPARATE MAINTENANCE**

Maintenance and technical support services are not included as part of this Agreement and, to the extent provided, will be made available from WhamTech and/or its authorized Licensee pursuant to a separate agreement.

**10. GOVERNING LAW**

The laws of the State of Texas, U.S.A., and the United States, including patent and copyright laws, govern this Agreement. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the products of which are expressly excluded.

**11. DISPUTE RESOLUTION**

If a dispute should arise with respect to this Agreement or the interpretation thereof, either party may deliver a written notice of such dispute to the other party. After a fifteen (15) day "cooling off" period has lapsed during which both WhamTech and Licensee shall meet at times reasonably convenient to both to discuss the dispute, if the dispute shall not have been resolved, then such dispute shall be determined by an expedited arbitration proceeding conducted in Dallas County, Texas, U.S.A., in accordance with the then-current Rules of Conciliation and Arbitration of the American Arbitration Association ("AAA"). The arbitration proceedings shall be conducted in the English language and any arbitration proceeding determinations shall be binding upon the parties. Such arbitration may be used only to interpret the provisions hereof and not to modify any provision of this Agreement or any agreements ancillary hereto. The arbitrators shall be selected by the mutual agreement of the parties or, where such agreement cannot be reached, in accordance with the AAA rules. After a decision by the arbitrators, the parties shall each immediately comply with the panel's decision. All arbitration fees and other costs and expenses shall be paid equally by the parties when required during the arbitration; provided, that the parties shall be entitled to reimbursement of such fees and costs in such other proportion as the arbitrator may determine. If either party seeks judicial enforcement of such arbitrators' award, judgment may be entered upon such award in any court of competent jurisdiction, or products may be made to such court for judicial acceptance of the award and an order of enforcement. All discussions and documents prepared pursuant to any attempt to resolve a dispute under this provision are confidential and for settlement purposes only and shall not be admitted in any court or other forum as an admission or otherwise against a party for any purpose including the assertion of the applicability of federal and state court rules.

## **12. WHAMTECH INDEMNIFICATION**

WhamTech hereby represents and warrants to Licensee that, to the best of its knowledge and belief at the time of delivery, the product shall not infringe upon or violate any United States patent or copyright of any third party. WhamTech agrees to indemnify, defend or settle and hold Licensee harmless from and against any legal proceeding brought against Licensee to the extent that it is based on a claim that the product, in the form furnished by WhamTech, directly infringes a United States patent or copyright, and will pay all damages and costs awarded by a court of final appeal attributable to such claim if Licensee (i) promptly provides notice of the claim to WhamTech, (ii) gives WhamTech sole control of the defense and settlement of the claim but Licensee shall have the right to be represented by separate counsel at its own expense, (iii) provides to WhamTech all available information, assistance and authority to defend or settle the claim, and (iv) has not compromised or settled such proceeding without WhamTech's prior written consent. This indemnification will not apply to the extent that such infringement is based on or arises out of (1) any enhancements, modifications or other changes to the Product not made by WhamTech, (2) the use of any Product, or any part thereof, furnished hereunder, in combination with goods, equipment, system, software or data not supplied by WhamTech; or (3) the use of an infringing version of the Product, if such infringement could be avoided by the use of a different version made available to Licensee by WhamTech. In the event WhamTech believes that the Product may become the subject of any claim, action, or allegation of the type specified in above, then WhamTech may, at its option and at its expense, either (A) procure for Licensee the right to continue using the Product (or the applicable component or part thereof); or (B) if such continued use cannot be procured on commercially reasonable terms and conditions, to modify it to become non-infringing without materially degrading the performance of the Product (or the applicable component or part thereof); or (C) if such modification cannot be reasonably implemented, Licensee shall cease using and return to WhamTech the infringing Product and WhamTech shall refund the license fees paid by Licensee for the prior twelve months.

## **13. INDEMNIFICATION BY LICENSEE**

Licensee shall indemnify, defend and hold harmless WhamTech and its officers, directors, employees, agents, successors and assigns from and against any and all claims, demands, actions, judgments, proceedings, liabilities, losses, costs and expenses (including reasonable attorneys' fees and court costs) which may be asserted against or incurred by WhamTech arising out of, connected with, or caused by acts of omissions or alleged acts or omissions of Licensee in connection with the activities contemplated by this Agreement, including, without limitation, claims for alleged breach of any contract or agreement by Licensee brought by its Customers, claims related to any warranty or statement by Licensee regarding any Product not authorized by WhamTech, claims relating to the relationship of Licensee with its employees and agents and claims arising from or relating to its Customers' use of the Products.
